Grown-up reads: Luna the unicorn put a pink mat beside the table. She set out one pencil and a few crayons. Anastasia sat down next to her. They made small marks, laughed, and tried again. When their hands felt tired, they stretched.

Ask: What happened first: setting out pencils or stretching tired hands?

Draw / tell: Draw the beginning and tell what happened next. Your grown-up writes your words.

She may draw, label, or dictate. Grown-up writes her words.

Print tip: point to this book's cover and title. The title is the name of the book.
