Listen & say: Listen while I slide the parts together: /k/ ... /at/, cat. C says /k/ here. Say the whole word with me, then try the next one. Try: /k/ ... /ap/; /k/ ... /an/.

2 Trace. Write. Try.

Grown-up reads: Luna and Anastasia played tennis with a soft ball. The ball rolled under a bench. Luna could not reach it. Anastasia looked from the other side and found a clear space. She rolled the ball out. Then they took turns hitting it again.

Ask: Why did the game stop for a moment?

Draw / tell: Draw the problem. Tell your grown-up what happened.

She may draw, label, or dictate. Grown-up writes her words.

Word talk: describe one story object with a word for its size, shape, or texture.

Science: living things

Say: 'Compare a real plant with a spoon. Which one is living? A plant is living: it grows and needs water and air. What do you notice about the plant? Tell me one thing it needs.' If no plant is available, observe one through a window.
