Grown-up: Use the first vowel sound in egg, not the letter name E. Say egg; repeat short /e/.

Listen & say: Listen to the vowel sound in the middle. I will say the whole word, then slowly stretch it. In bed, I hear short /e/, as in egg. Listen and tell me whether the word has that egg sound. Try: bed; pet.

2 Trace. Write. Try.

4 min

Watch a grown-up model it. Trace the gray letters; try one yourself.

If ready: point, say the sounds, then blend with help.

3 Read, talk & draw

Grown-up reads: Pink pencil, make a little line. A wobbly one will do just fine. We trace a curve and make a dot. We try one thing, and learn a lot. Then stretch our fingers, rest, and say, We grew a little bit today.

Ask: What two marks come after the wobbly line?

Draw / tell: Draw a line, a curve, and a dot. Tell which you liked making.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
