## 3 Read, talk & draw

4 min

Grown-up reads: A collection is a group of things. We can sort crayons by color or blocks by shape. We can count each group by touching one thing for each number we say. Moving the things apart does not change how many there are.

Ask: What is a collection?

Draw / tell: Draw a collection of three things. Tell your grown-up what to label.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
