Grown-up: Use the first vowel sound in up, not the letter name U. Say up; repeat short /u/.

Listen & say: Listen to short /u/ as in up. In sun, I hear short /u/ in the middle. I will stretch each word. Does it have the up sound in the middle? Try: sun; cup.

2 Trace. Write. Try.

Watch a grown-up model it. Trace the gray letters; try one yourself.

3 Read, talk & draw

4 min

Grown-up reads: A collection is a group of things. We can sort crayons by color or blocks by shape. We can count each group by touching one thing for each number we say. Moving the things apart does not change how many there are.

Ask: How could someone sort crayons?

Draw / tell: Draw two groups of crayons. Dictate how you grouped them.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
