Grown-up reads: Luna wanted to make a tall tower for her toy tennis ball. The tower tipped when she added the ball. Anastasia suggested a wider bottom. Luna tried again with more blocks at the bottom. This time, the tower stood. They smiled at their new idea.

Ask: What did Luna want to make?

Draw / tell: Draw the tower. Dictate a label for the ball.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
