Grown-up: Touch upper teeth to lower lip and add a voice; compare with quiet /f/. Say van; repeat /v/.

Listen & say: Put your hand lightly on your throat. /f/ is quiet air; /v/ has a voice. Listen: fan starts /f/, van starts /v/. I will say each word slowly. Tell me its first sound with me. Try: van; fan.

2 Trace. Write. Try.

Grown-up reads: Luna wanted to make a tall tower for her toy tennis ball. The tower tipped when she added the ball. Anastasia suggested a wider bottom. Luna tried again with more blocks at the bottom. This time, the tower stood. They smiled at their new idea.

Ask: What happened when Luna added the ball the first time?

Draw / tell: Draw what happened. Tell your grown-up one sentence about the problem.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
