Grown-up reads: Luna wanted to make a tall tower for her toy tennis ball. The tower tipped when she added the ball. Anastasia suggested a wider bottom. Luna tried again with more blocks at the bottom. This time, the tower stood. They smiled at their new idea.

Ask: What helped Luna succeed when she tried again?

Draw / tell: Draw something you would like to build. Tell why you chose it.

She may draw, label, or dictate. Grown-up writes her words.

Word talk: tell an opposite pair, such as up/down, little/big, or fast/slow.
