

Sounds I am growing

Review: Cc, Kk, Gg

Connect - 2 min: Say or write part of your name. Revisit c, k, g.

1 Say it. Hear it.

3 min

Cc

cat

Kk

kite

Gg

gum

Grown-up models each sound above. Anastasia points and repeats.

Listen & say: C in cat and K in kit both say /k/. I will point to each letter and help you blend one sound at a time. Say the whole word with me. Try: /k/ ... short /a/ ... /t/; /k/ ... short /i/ ... /t/.

2 Trace. Write. Try.

4 min

Watch a grown-up model it. Trace the gray letters; try one yourself.

C C C

k k k

If ready: point, say the sounds, then blend with help.

cat

3 Read, talk & draw

4 min

Grown-up reads: A seed can grow into a new plant when it has the conditions it needs. Many seeds need water, air, and a suitable temperature to sprout. A small root grows down. A shoot grows up. As leaves open, the young plant uses light to grow.

Ask: Which way does a small root grow?

Draw / tell: Draw a root growing down. Tell your grown-up where to label the root.

She may draw, label, or dictate. Grown-up writes her words.

Talk together: use a complete idea: "I noticed ___ because ___." Grown-up models first.

Numbers & discoveries

Recognize and build 6-10

4 Count, play & explain

7 min, including writing

Draw the number of dots shown. Put ONE dot in each space.

6

8

10

Say this number. Trace it. Try writing it once.

10 10 10

5 Discover & do

3 min

Science: animal needs and observation

Say: 'Choose a familiar animal. What do you notice about how it moves or its body covering? Tell me what it needs: water, food, air, and a suitable place to live. Draw or act out one way it moves.'

I practiced today. I feel:

happy

okay

need a hug
