Grown-up models each sound above. Anastasia points and repeats.

Listen & say: I will say a word. Let us tap each sound together. Listen: man, /m/ /a/ /n/. Now try the next word with me. Try: nap; tap.

2 Trace. Write. Try.

4 min

Watch a grown-up model it. Trace the gray letters; try one yourself.

Grown-up reads: A seed can grow into a new plant when it has the conditions it needs. Many seeds need water, air, and a suitable temperature to sprout. A small root grows down. A shoot grows up. As leaves open, the young plant uses light to grow.

Ask: What does the young plant use as its leaves open?

Draw / tell: Draw a plant with leaves. Dictate two things you learned about plants.

She may draw, label, or dictate. Grown-up writes her words.

Book talk: does this passage tell imagined events or give information? Tell why.

Social studies: community and care for shared spaces

Say: 'Choose one shared place, such as a classroom, playground, or library. How do people care for it? Pretend or practice one small helpful action, such as putting a book away.'

I practiced today. I feel:
