3 Read, talk & draw

Grown-up reads: Anastasia chose some pages from her practice book. Luna helped put them in order. They looked at an early page and a newer page. Anastasia noticed a sound she remembered and a number she could count. She drew a pink star beside something she felt proud of.

Ask: What did Anastasia choose?

Draw / tell: Draw your own practice book. Dictate a title.

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
