Grown-up models each sound above. Anastasia points and repeats.

Listen & say: I will say three sounds slowly, then help you slide them into a word. Say the whole word with me or after me. Try: /h/ ... short /a/ ... /t/; /r/ ... short /e/ ... /d/.

## 2 Trace. Write. Try.

4 min

Watch a grown-up model it. Trace the gray letters; try one yourself.

## 3 Read, talk & draw

4 min

Grown-up reads: Anastasia chose some pages from her practice book. Luna helped put them in order. They looked at an early page and a newer page. Anastasia noticed a sound she remembered and a number she could count. She drew a pink star beside something she felt proud of.

Ask: Which two kinds of pages did they look at?

Draw / tell: Draw one thing you practiced before and one thing you practice now.

She may draw, label, or dictate. Grown-up writes her words.

Writing tip: grown-up writes your words and reads them back, pointing to each word.

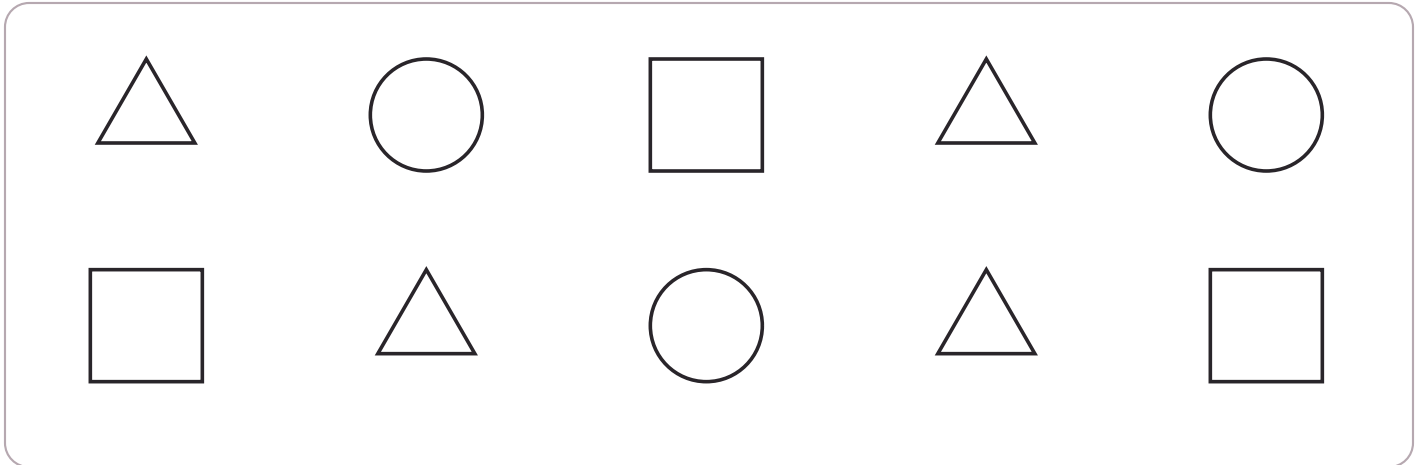

# Numbers & discoveries

Sort, count, and compare shapes; optional 16-18

## 4 Count, play & explain

7 min, including writing

In the BIG BOX, count each kind of shape. Which has the most? Which two have the same number?

Say this number. Trace it. Try writing it once.

**Science: noticing change over time**

Say: 'Look outside again. Compare today with another day you remember. What changed in the weather or a plant? What stayed the same? Draw one thing you observe today.'

I practiced today. I feel:
