Grown-up models each sound above. Anastasia points and repeats.

Listen & say: Let us say the first sound in jam and yes. Then we will remember two special spellings: x gives /k/ /s/ in box, and qu starts queen with /k/ /w/. I will say each one; say it with me. Try: jam; yes.

2 Trace. Write. Try.

Watch a grown-up model it. Trace the gray letters; try one yourself.

If ready: point, say the sounds, then blend with help.

3 Read, talk & draw

Grown-up reads: Anastasia chose some pages from her practice book. Luna helped put them in order. They looked at an early page and a newer page. Anastasia noticed a sound she remembered and a number she could count. She drew a pink star beside something she felt proud of.

Ask: Name one thing Anastasia noticed she could do.

Draw / tell: Draw something you feel proud of. Dictate: 'I feel proud of ____.'

She may draw, label, or dictate. Grown-up writes her words.

Small steps count. Grown-up may write your words.
