Grown-up reads: Anastasia chose some pages from her practice book. Luna helped put them in order. They looked at an early page and a newer page. Anastasia noticed a sound she remembered and a number she could count. She drew a pink star beside something she felt proud of.

Ask: Why do you think Anastasia drew a star?

Draw / tell: Draw a star and a favorite learning moment. Tell a tiny story about it.

She may draw, label, or dictate. Grown-up writes her words.

Print tip: find one letter, one word, a space, and a sentence-ending mark.
