

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Say sit, pin, lip. Child says the middle sound, /i/ as in itch.

sit

pin

lip

Grown-up teaches: This little word is a. In a sentence we often say it softly, like uh. Here it begins the sentence, so we write capital A. Read it together and find A in the sentence.

A cat can sit.

Point to the capital A. Count the spaces. Spaces separate words; touch each word as a grown-up reads.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

sit sit sit

3 Read, talk & draw

4 min

Grown-up reads: Anastasia and Luna practiced rolling a tennis ball toward a cup. The first roll missed. Anastasia moved a little closer and tried again. The ball touched the cup. Luna smiled. They took turns, counted their rolls, and cheered for each other.

Ask: What happened on the first roll?

Draw / tell: Draw your favorite game. Tell: "I like ____ because ____."

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.
