

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Say sun, cup, mud. Child says the middle sound, /u/ as in up.

sun

cup

mud

Grown-up teaches: This word is is. The i has its short sound; the s sounds like /z/. Say the two sounds and blend. Find is in the sentence.

The cup is red.

Run a finger under each word as you read. Ask what the sentence tells us about the cup.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

cup cup cup

3 Read, talk & draw

4 min

Grown-up reads: Anastasia and Luna practiced rolling a tennis ball toward a cup. The first roll missed. Anastasia moved a little closer and tried again. The ball touched the cup. Luna smiled. They took turns, counted their rolls, and cheered for each other.

Ask: How did the friends help each other?

Draw / tell: Draw the red cup from the sentence. Add one detail and dictate a sentence.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.
