Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

Grown-up teaches: This word is see. The s says /s/. The two e letters work together for the long e sound. Blend /s/ /ee/ and read see.

I see a map.

Find I, see, and a. Point to the word that tells what I see.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

3 Read, talk & draw

4 min

Grown-up reads: A young bean plant needs water, air, light, and room to grow. Its roots take in water. Its leaves use light as the plant grows. We can observe a plant each day. A drawing helps us remember what changed and what stayed the same.

Ask: What is this text mostly about?

Draw / tell: Draw two things you did today. Tell what happened first and next, and how you felt.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.
