

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Say cat. Replace /k/ with /h/. What word? Repeat: pin, replace /p/ with /t/.

cat

hat

pin

Grown-up teaches: This word is my. The m says /m/ and y says the long i sound here. Say it, build it with letters, and find it in the sentence.

My hat is red.

Point to the capital that starts the sentence and the mark that ends it.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

hat hat hat

3 Read, talk & draw

4 min

Grown-up reads: A young bean plant needs water, air, light, and room to grow. Its roots take in water. Its leaves use light as the plant grows. We can observe a plant each day. A drawing helps us remember what changed and what stayed the same.

Ask: Name two things the plant needs.

Draw / tell: Design a hat. Tell which part you like best and why. Add a label.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

health and independence

Put handwashing actions in order: wet, soap and scrub, rinse, dry. Practice the routine together. Name when you wash your hands. Adult helps with any steps the child needs.
