

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Blend /m/ /a/ /p/, /s/ /i/ /t/, and /k/ /u/ /p/. Then ask her to segment one of the words into its 3 sounds.

Grown-up teaches: Review 3 words the child finds tricky. Cover, say, and check each. Stop before it becomes a memory test.

I see a cat. The cat can nap.

Count the sentences. Tell one thing the cat can do. Draw the meaning.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

3 Read, talk & draw

4 min

Grown-up reads: A young bean plant needs water, air, light, and room to grow. Its roots take in water. Its leaves use light as the plant grows. We can observe a plant each day. A drawing helps us remember what changed and what stayed the same.

Ask: Why can a drawing help us?

Draw / tell: Draw the cat from the two sentences. Add a label and retell what it can do.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

Numbers & discoveries

Twenty and a growing reader

4 Count, play & explain

7 min, including writing

Count the full ten. Count on. How many altogether?

10 ones

○	○	○	○	○
○	○	○	○	○

+

10 more ones

○	○	○	○	○
○	○	○	○	○

In all:

Say the numbers. Write the missing numbers.

11	12		14		16	17		19	20
----	----	--	----	--	----	----	--	----	----

Say together: Count by tens toward 100, then by ones as far as is comfortable.

Say this number. Trace it. Try writing it once.
