

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Blend onsets and rimes: /k/ + /at/, /h/ + /en/, /s/ + /un/. Then say a word that rhymes with cat.

cat

hen

sun

Grown-up teaches: Review we and to. Ask the child to look at each letter while you name the word.

We can run to the van.

Ask a who question and a where question about the sentence.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

run run run

3 Read, talk & draw

4 min

Grown-up reads: Luna built a paper roof for her toy. The roof fell down. Anastasia asked, What could hold it up? Together they placed a block at each end. The roof stayed up. They tested it once more and drew their new design to remember it.

Ask: What question did Anastasia ask?

Draw / tell: Draw two objects you compared. Tell which is longer. Label one object.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

Numbers & discoveries

Longer, shorter, and useful questions

4 Count, play & explain

7 min, including writing

Circle the longer path. Put X by the shorter path.
Both paths begin at the same line.

Draw a shorter path under this path. Start at the same line.

Say together: Start at 32. Count on to 42. Compare two real books by length and weight.

Say this number. Trace it. Try writing it once.

5 Discover & do

3 min

vocabulary and movement

Act out walk, march, and tiptoe. Explain how the movements differ. Then make opposite pairs: fast/slow, high/low, loud/quiet.

I practiced today. I feel:
