

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Say /s/ /u/ /n/. Blend sun. Say /w/ /e/ /t/. Blend wet. Which sounds come last?

sun

wet

hot

Grown-up teaches: Review these words. Adult reads any unfamiliar word in the sentence without asking the child to guess from a picture.

I see the sun. It is hot.

Show where the second sentence starts. Explain that It is a capitalized form of it.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

sun sun sun

3 Read, talk & draw

4 min

Grown-up reads: Luna built a paper roof for her toy. The roof fell down. Anastasia asked, What could hold it up? Together they placed a block at each end. The roof stayed up. They tested it once more and drew their new design to remember it.

Ask: What held up the paper roof?

Draw / tell: Ask a weather question. Look outside. Draw one observation and dictate: "Today I noticed ____."

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

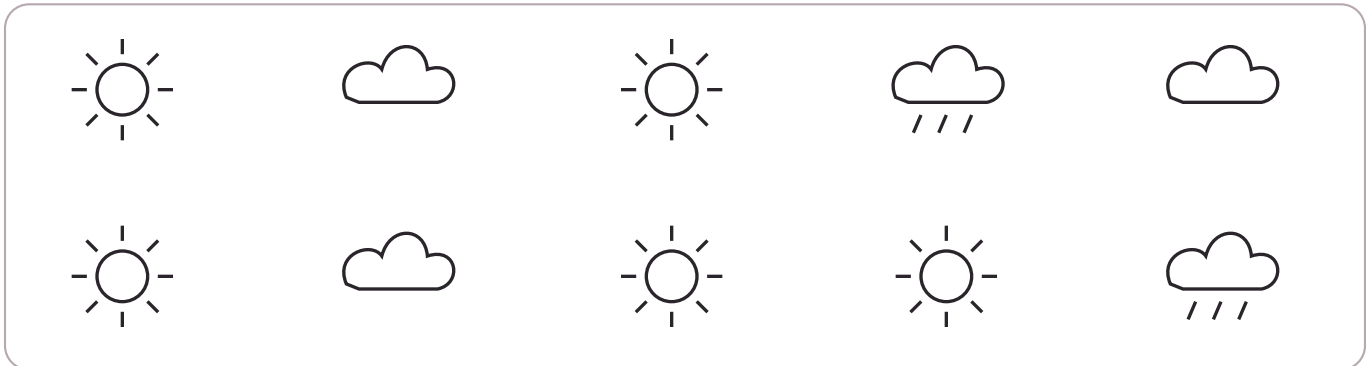

Numbers & discoveries

Our weather facts

4 Count, play & explain

7 min, including writing

Count the symbols inside the record box. Write how many.
Which kind appears most? This record is pretend.

sun

cloud

rain

Say together: Count together from 60 to 80. Order the categories from fewest to most.

Say this number. Trace it. Try writing it once.

13 13 13

5 Discover & do

3 min

science: weather and preparedness

Record today's weather with a small drawing. Keep adding one observation on Days 54-57; compare them on Day 57. Ask an adult how a weather forecast helps your family decide what to wear or when to go inside.

I practiced today. I feel:

happy

okay

need a hug
