3 Read, talk & draw

4 min

Grown-up reads: Luna built a paper roof for her toy. The roof fell down. Anastasia asked, What could hold it up? Together they placed a block at each end. The roof stayed up. They tested it once more and drew their new design to remember it.

Ask: Why did the friends test it again?

Draw / tell: Draw an animal using shapes. Tell a story with first, then, and an ending.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.
