Grown-up teaches: This word is you. Say the whole word. The y has its usual sound and ou works together for /oo/ in this word. Write it together, then find it in the sentence.

You can sit. I can sit.

Point to the word that changes between the two sentences. Explain whom each sentence is about.

3 Read, talk & draw

4 min

Grown-up reads: Luna built a paper roof for her toy. The roof fell down. Anastasia asked, What could hold it up? Together they placed a block at each end. The roof stayed up. They tested it once more and drew their new design to remember it.

Ask: How did the friends solve the problem together?

Draw / tell: Draw a favorite activity from this book. Tell why you want to do it again.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.
