

# Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

## 1 Listen, blend & read

4 min

Listen: Segment bag into 3 sounds. Change its first sound to /t/. Segment top. Change its final /p/ to /t/.

Grown-up teaches: Review we and the. Blend can using its three regular letter sounds.

## We can get the bag.

Ask what we can get. Reread to check the answer in the words.

## 2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

## 3 Read, talk & draw

4 min

Grown-up reads: People use water to drink, wash, and grow food. Plants and animals need water too. We can help care for water by turning off a faucet when we finish. Keeping litter away from streams helps protect the places where living things make their homes.

Ask: Why should litter stay away from streams?

Draw / tell: After building on page B, draw your design. Add an arrow showing something you changed.

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

Name both shapes. Count their sides and corners.  
Tell one thing the same and one thing different.

Say together: Start at 69. Count on to 79.

Say this number. Trace it. Try writing it once.

**engineering and collaboration**

Build a paper shade roof for a toy using paper and blocks. Predict whether it will stand. Test it, then change one part to help it stand or cover the toy better. Explain the change. Adult may steady materials.

I practiced today. I feel:
