

Words I can explore

Ready for more: model together, then let Anastasia try.

Connect - 2 min: Say or write your name. Revisit one sound and count 5-10 objects.

1 Listen, blend & read

4 min

Listen: Choose three known letters. Say each sound, then blend cat, pin, and sun. Ask the child to name a rhyme or change one sound if ready.

cat

pin

sun

Grown-up teaches: Review only words needed for today's short text. Help immediately when needed.

I see the cat. The cat is on the mat.

Reread, then tell where the cat is. Point to the words that helped you know.

2 A little writing

3 min

Trace the model. Copy it once, or write one letter with help.

cat cat cat

3 Read, talk & draw

4 min

Grown-up reads: People use water to drink, wash, and grow food. Plants and animals need water too. We can help care for water by turning off a faucet when we finish. Keeping litter away from streams helps protect the places where living things make their homes.

Ask: What is the main topic? Tell one fact you remember.

Draw / tell: Draw yourself learning. Write your name. Tell: "I learned _____. Next I want to practice _____."

She may draw, label, or dictate. Grown-up writes her words.

One thoughtful try is enough. Use a model whenever helpful.

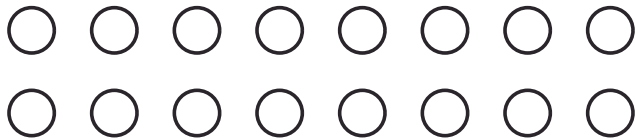

Numbers & discoveries

Look how I am growing

4 Count, play & explain

7 min, including writing

Count the circles. Write how many. Ring a group of 10.

There are 3 circles. Draw 2 more. How many now?

$$3 + 2 =$$

Say together: Choose: count by tens toward 100, describe a solid shape, or tell 2 ways to make 5.

Say this number. Trace it. Try writing it once.

whole-child reflection and school habits

Practice asking for help, putting away materials, and taking turns to explain a favorite page. Adult notes one growing skill and one next step. Let the child choose a favorite game to repeat.
