2 Finger paths & my marks

4 min

Go around each round path with your finger. Try making a round mark. Scribbles count as practice; no neat letter writing is expected.

3 Listen & tell

3 min

Vivian pours with help. One cup becomes empty. Water goes into the other cup. A little spills, and they wipe it up together.

Ask: What could you do after a spill?

HELLO & CHOOSE (3 min)

Name a feeling. Choose a crayon. Find something red.

4 Count & play

5 min

Touch each ball once and count slowly together. Say how many there are after the last ball. Recount if needed. Today the main set has 3. Start with 1-3 objects if helpful.

How many? Tell, show fingers, or make marks.

My picture, my ideas

Think about "Pour and notice." Make a picture or marks. Tell or show what you made.

Drawing, scribbles, pointing and telling all count.

5 Move together

5 min

Pretend to fill a giant cup by reaching high. Pretend to pour by tipping your arms slowly to one side.

6 Discover, make & tidy

6 min

With a grown-up within arm's reach, pour a little water between two large plastic cups over a tray. Say full and empty. Empty all water when finished. Put one thing away together.
