4 min

Move a finger from the left dot across each path. Try a crayon if you want. Scribbles count as practice; no neat letter writing is expected.

Vivian puts soft things here and hard things there. A toy makes her wonder. She feels it and chooses a group.

Ask: What helped Vivian decide where the toy belonged?

4 Count & play

5 min

Touch each ball once and count slowly together. Say how many there are after the last ball. Recount if needed. Today the main set has 3. Start with 1-3 objects if helpful.

How many? Tell, show fingers, or make marks.

My picture, my ideas

Think about "Sort the treasure." Make a picture or marks. Tell or show what you made.

Drawing, scribbles, pointing and telling all count.

5 Move together

5 min

Carry one soft item at a time to its matching group. Walk slowly between the groups.

6 Discover, make & tidy

6 min

Sort large socks or blocks into two groups by one feature, such as color. Explain your rule, then let Vivian try a new rule. Put one thing away together.
